P.T.O.

The foundation for Seva Mandal Education Society, was laid in 1957, a premium educational Institute which began for women's education with merely seven students. It has gradually expanded over a period of time, both in terms of the number of students as well as the educational courses offered. The SMES now has student strength of 6,500 on campus. It offers a variety of programs ranging from institutional, certificate and diploma programs to Junior Colleges, Undergraduate Degree Programs and Post Graduate degree and Diploma Courses.

Smt. Sunanda Pravin Gambhircand College of Nursing, GNM School of Nursing, ANM School of Nursing is affiliated to 'Maharashtra University of Health Sciences, Nashik' and 'Maharashtra State Board of Nursing and Para-medical Education' and is also recognized by Indian & Maharashtra Nursing Councils. Seva Mandal Education Society initiated the B.Sc. Nursing programme in collaboration with Smt. S.R. Mehta & Sir Kikabhai Premchand Cardiac Trust. Students are given opportunities to develop their nursing care and other skills & enhance their knowledge by posting them in all affiliated hospitals & as well as the other Municipal hospitals of Mumbai as per the requirement of the syllabus. The students are working & supervised by the experienced and expert teachers as well as experienced staff of all the above hospitals.

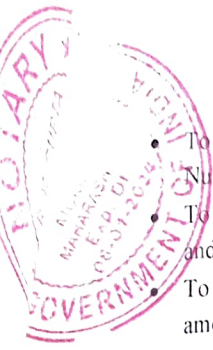

The healthcare and medicine industry has achieved marvelous achievements in the country. New technologies have arrived that are offering quick and reliable treatments to the patients. However, the lack of trained professionals is still a big issue in our country. The industry requires qualified students who have been trained to handle these technologies. This demand has led students to become more interested in the field of para medic. Knowing the demand and the interest of the students, we constantly work to enhance and update our teaching methods. Hence, SMES has taken a lead to establish a certificate course, viz, Laboratory and Blood bank Technician, Radiology technician certificate course; Dialysis technician course; ECG technician course and Cath lab technician certificate course.

➤ **Aim of MOU:**

To develop and strengthen the students' and staffs' personalities, and preserve the 'wealth of Health' of all the people and take effective measures for it, at all the three levels of prevention-primary, secondary and tertiary.

➤ **Objectives of MOU:**

- To provide and enhance freedom of expression and sharing of knowledge, skills, professionalism and hands-on experiences amongst students, staff and teaching faculties of both the institutions.
- To facilitate maximum and the fullest utilization of both the institutions' resources such as learning aids-laboratories, library, audio visual aids, infrastructure, clinical field the expert teaching faculty professional expertise for the provision of meaningful learning experience and exposure to the students/staff of both the institutions.
- To inculcate and enhance a passionate academic and professional attitude among the students/staff of both the institutions.

- 
- To create opportunities for development of their competitive skills with special emphasis on Nursing skills.
 - To promote curricular, extracurricular, continuing education, community health extension and research activity among the students/staff of both the institutions.
 - To facilitate and enhance innovations in the teaching learning activities and Nursing services among the staff, students and teachers of both the institutions.
 - To utilize the expertise of Nursing service and education, thus adding to fulfillment of dual role in integrated manner to improve the quality of Nursing education and quality of patient care as per the Indian Nursing Council.
 - To prepare candidates with specialized knowledge, skills and attitude in providing advance quality care in the respective areas. To train them to perform various investigations and machinery maintenance in their respective course field along with unit setup.
 - To provide hands on experience in respective skill courses and various modern equipment under supervision. The Courses will also focus on providing care to patients during investigations such as preparation of patient for procedure, positioning of the patient and safety of the patient. As this field is continuously evolving it is essential to keep updated on the latest technologies.

The above said parties are entering in this MOU for successful implementation of Nursing and paramedical courses by providing quality teaching services to students with quality services to society so that they may work independently as successful nurses and skilled technicians in various streams.

a) **Role of Smt. Sunanda Pravin Gambhirchand College of Nursing, GNM School of Nursing, ANM School of Nursing and Paramedical science College.**

Subject: Posting of our 1st, 2nd, 3rd & 4th year B.Sc. Nursing &
1st & 2nd year ANM students for their clinical experience
for A.Y. 2023-2024.

Respected Sir,

We are thankful to you for your continued co-operation in permitting us for
using your clinical field for gaining clinical experience, to our B.Sc. Nursing
& ANM students.

For the academic year August 2023 to July 2024 too, we will be posting our
students in your hospital, for their experience.

We have sanctioned strength of 50 students B.Sc. Nursing & 40 students for
ANM per batch. We shall be posting the students as per admitted strength.

Kindly allow us to post all our batches of B.Sc. Nursing & ANM in rotation
and permit us to conduct their College/University practical exams during
Summer/Winter session in your hospital.

Cont...

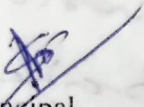

~~We would request you to provide a changing room for the students.~~ The students will abide by your guidelines in this regard. We also require submitting bed occupancy data of the hospital, to the university and other regulating bodies during the inspection. This data is purely used for inspection purpose only. Hence, we earnestly request you to co-operate in providing this data as and when required.

The required fees, students list & clinical rotation plan will be sent along with our teaching faculty.

Kindly do the needful.

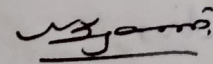

Thanking you.

Dear (A)

Respected Sir,

200 BSc Nursing and 80 ANM students will be trained here for Nursing course from Lers Mandal Education Society.

There is no objection as the same has not be raised by Nation as well as Principal School of Nursing, but I feel that fees etc should be revised as these students get enormous amount of experience by getting trained here.

Thanks,
