Top Ranked Colleges In India

Top Nursing Colleges in India 2023: Rankings, Admissions, Fees, Placements and Cutoffs

Nursing Courses in India:

The B. Sc. Nursing is the most popular course offered by top nursing colleges in India for overall training in nursing. Plus, there are some specific courses for Midwifery and technical training for nurses. There are over 800 colleges in India for nursing training. Apart from the four-year-long B. Sc. Nursing course, these colleges also offer other advanced courses in the field, like M. Sc. Nursing and Ph.D. Students must check the research and training levels, accommodation facilities available on campus, fee structure, and placement support when choosing a college.
