2	Ms. Dhara Brahmbhatt	Student Representative	Student Secretary (Student Nurses Association & Student Council)
---	-------------------------	---------------------------	---

Dr. Akash Khobragade- Member (As Industrialist) expressed that he felt honoured to be added as a member in this prestigious committee. Ms. Dhara Brahmbhatt- Student representative added that she will give her best efforts and contribution to enhance the standards of college through Student council and Student Nurses association unit.

ITEM NO: 5

Dr. Shilpa Charankar- Exec. Secretary (SMES), madam advised to mention Beneficiaries or outcome; survey analysis, fund raising amount in the college report presentation. Also madam advised to mention the financial assistance given to college in terms of amount.

Shri. Pravin G. Shah- Hon. Secretary (SMES) and Dr. Shilpa P. Charankar– Exec. Secretary (SMES) suggested that Nursing department should plan and organise a project to improve the nutrition status and health of nursing students.

Dr. Shobha Gaikwad- Member (As Nursing Education Expert) suggested to share the list of UGC care list journals or journals in which your department faculties are doing their publications as selection of journal is very important and madam showed her readiness to help out in this area to improve the NAAC score. Also madam added that increase number of publications in SCOPUS too. Madam suggested that to improve the library score the college needs to upgrade it with latest journals and this list is available on MUHS portal.

Dr. Shubhangi Jadhav- Member (As Researcher) suggested that In Best practice, survey can be planned with support of management and in collaboration with government for young adults as mortality and morbidity rates increased among them. Along with survey analysis even education can be planned and this will help to get the grants and will increase the research publications.

Dr. Shobha Gaikwad- Member (As Nursing Education Expert) advised that plan for some interdisciplinary or multidisciplinary activities which will improve NAAC score in future and being the college campus is having multidisciplinary courses the implementation is feasible. Dr. Shilpa Charankar- Exec. Secretary (SMES) informed everyone that same type of projects being planned and implemented by Human Resource department in the college campus.

Dr. Dilip R. Trivedi – President (SMES) sir informed everyone that management always appreciate the efforts taken by the college and expected to continue this progress. All the members agreed to it.

The Meeting then adjourned with a vote of thanks proposed by Ms. Namrata C. Associate Professor to the chair at 11.10 am.

ABOUT COLLEGE

The foundation for Seva Mandal Education Society, was laid in 1957, is a premium educational institute which began for women's education with merely seven students. It has gradually expanded over a period of time, both in terms of the number of students as well as the educational courses offered. The SMES now has student strength of 6,500 on campus. It offers a variety of programs ranging from institutional, certificate and diploma programs to Junior Colleges, Undergraduate Degree Programs and Post Graduate degree and Diploma Courses.

INTRODUCTION

Green Audit is a process of systematic identification, quantification, recording, reporting and analysis of components of environmental diversity of various establishments. It aims to analyze environmental practices within and outside of the concerned sites, which will have an impact on the eco-friendly ambience.

Green audit can be a useful tool for a college to determine how and where they are using the most energy or water or resources; the college can then consider how to implement changes and make savings. It can also be used to determine the type and volume of waste, which can be used for a recycling project or to improve waste minimization plan. It can create health consciousness and promote environmental awareness, values and ethics. It provides staff and students better understanding of Green impact on campus.

THE ACTIVITIES TAKEN BY THE COLLEGE TO MAKE CAMPUS MORE ECO-FRIENDLY:

1. Eco Club Initiative - In July 2022 eco club has been started.
2. Seed Bombing Activity- In month of august eco club members taken out the drive seed bombing in suburban area.
3. More than 500 Plantations - one student one plant concept has been initiated in month of n June 2022.
4. Green Notice Board- Exclusively to develop green initiative we come up with Green Notice Board.
5. Paper Less Office- Our college office more initiative on paper less, if it is very essential then they do printing

SUGGESTION/ RECOMMENDATION:

Following are the recommendations given by committee

1. Rain Water Harvesting-: Because enough space is available on terrace you can think of it.
2. Sanitary pad disposal- Since it is an women's college it is desirable to have it
3. Alarming water taps- Water conservation is talk of the town, marching towards save water.
4. Medicinal/ Herbal Plantation near Solar Panel - In and around solar panels open space is available these plants are more useful.

Place- Matunga , Mumbai.

Report on seed bombing and paper bag making activity

AIM:

SEED BOMBING - To promoting vegetation on land by throwing seed balls onto barren tracts of land.

PAPER BAG MAKING- To indulge students in the habit of recycling by teaching them how to make paper bags and making them aware about the threat of plastic bags to the environment.

OBJECTIVE:

Seed bombing-

- To restore plant population,
- To increase the green cover on empty patches,
- To nourish and feed the soil.

PAPER BAG MAKING-

-To reuse, recycle and biodegrade
