

SEVA MANDAL EDUCATION SOCIETY'S SMT. SUNANDA PRAVIN GAMBHIRCHAND COLLEGE OF NURSING

SCHOLARSHIP

The College continues to strive and seek funds and donations that would help to sustain the practice for helping maximum students avail higher education, thus achieving its motto of women empowerment. Many students in college are from low -income family with dependent members on one earning member in their families. They find it difficult to pay the high professional fees of the college programme. College has provided with financial aid through scholarship to maximum students who are hardworking and good in studies. Students are informed about the scholarships and welfare schemes available in a particular year and are encouraged to apply for the same. A standard operating procedure is followed to carry out these functions. The Institute, scrutinizes the eligible candidates and verifies their documents and facilitates them in obtaining the scholarship. There is a scholarship committee to review the entire process of scholarship from obtaining donors, scholarship resources, orientation-training-guidance to sites and filling of data, to monitoring of recovery of the sanctioned amount. College also has an overall campus scholarship co-ordinator who looks after the private scholarship. Student reviews are taken from students in the form of case study which overlook the feedback of students towards the contribution and how it benefit the students during their academic session.

REVIEWS FROM STUDENTS

REVIEWS OF SCHOLARSHIP:

- The information given to the us regarding filling scholarship form online, helped us in filling form from home The scholarship helped us in reducing their financial tension.
- The management waits for the fees to be paid, until we receive the scholarship.
- The teachers take our review regarding the Scholarship, and keep the track
