Report by Dr. Rajashekhar O. Patil

M.A., M.A., LL.M., PGDBM., Ph.D.

Date of Audit – 8th & 9th July 2019

Green Audit Report 2018 – 2019

Introduction:

In recent times, the Green Audit of an institution has become a paramount for self-assessment of the institution which reflects the role of the institutions in mitigating the present environmental problems.

Green Audit can be a useful tool for an institute to examine how and where they are using the resources or most of the energy or water; the college can then improve and consider how to implement changes and make savings.

This report serves to highlight the accomplishments of Seva Mandal Education Society's College of Nursing and to make recommendations for maintaining a sustainable environment in the college. The college conducted the internal Green Audit in Academic year 2018 – 2019 and strives to maintain eco-friendly atmosphere in the campus.

The activities taken by the college to make the campus eco-friendly:

- Vanmahostav day is celebrated in the College Premises.
- Beach Clean Drive – Dadar Chowpatty
- Marine Pollution Lecture – by Shri. Tushar Warang
- Students contributed plants to College.

(Mr. P. O. P. T. P. P.)

Suggestion / Recommendations:

Following are the recommendations given by the committee:

- Since it is a women's college Sanitary Disposal mechanism should be developed.
- At present there will be more Electronics waste created in Metros so there should be also E-Waste disposal should be paid enough attention.
- When classrooms are huge and airy window plantation can be done.
- Whoever Guest comes to institutions as a part of token of respect Plants should be given.
